

Storage & PDI

Storage for many garages forecourt capacity is at a premium. At surprisingly attractive rates, our storage facility has become an extension of the forecourt for some of Irelands leading garages, with 24 hour delivery from stock.

Pre Delivery Inspections carried out by our time served mechanics can be especially useful when delivering to the Hire Car business.

Number plates, valeting and vehicle embellishment are all available. Through the very latest repair center, damage from minor to major can be managed saving your time.
